

TUITION and FEES

Full Year enrollment at OFC begins in September and concludes with the final activity in late Spring/early Summer. Every chorister is expected to remain active and committed to the program for the entire season, **which includes participation in tour**. As with many choirs, OFC makes budgetary decisions according to enrollment numbers. For this reason, OFC cannot refund choir tuition for choristers who do not fulfill their season commitment.

Tuition is due at the time of registration. There are several options for payment:

- Pay in full by cash, check, credit or debit card. (Make checks payable to **Oregon Festival Choirs** or **OFC**.)
- Make payments in three installments with credit / debit card (automatically deducted) or post-dated checks

To request **the installment plan** or a **scholarship**, please complete the **Installment Plan** and/or **Scholarship Request** forms. *(If a scholarship is requested, the **completed form with required documents** must be submitted with registration.)* Scholarships are granted on an **as needed basis** according to funds the choir has available. A minimum payment is due at registration. Refer to your Payment Form for this amount.

During the fall season Ticket Campaign, each choir family is required to sell a minimum of four season tickets. **All OFC families must purchase tickets to the Holiday and Spring Concerts in order to attend.** You may choose to opt out of the Ticket Campaign by purchasing the required minimum. (Details included in Season Ticket materials, which will be distributed in October.)
