

# TUITION SCHOLARSHIP REQUEST

## FINANCIAL INFORMATION

Oregon Festival Choirs is a non-profit organization that is supported by tuition fees, grants and donations. We are committed to ensuring access to our programs for any interested boy or girl regardless of ability to pay. A scholarship fund exists for this purpose. However, funds are limited and, as such, are directed to those who would otherwise be unable to participate.

If approved for scholarship, payment on your remaining balance will be set up like the **Installment Plan** with credit / debit card or post-dated checks. You must be current with any fees due in order for your chorister to participate in rehearsals and concerts. Families receiving scholarships are expected to voluntarily relinquish their scholarship should their financial situation improve during the year.

**Scholarships are provided for tuition. All other fees such as uniform, retreat, concert tickets and tour costs are the responsibility of chorister’s family, unless extraordinary circumstances warrant additional aid.**
